

SanDisk® Beastcase™ iPhone 16 Pro Creator Kit Case

Help protect your gear with the SanDisk® Beastcase™ iPhone Pro Creator Kit Case.

The SanDisk® Beastcase™ iPhone 16 Pro Creator Kit Case is a rugged, versatile solution for protecting and organizing your essential content creation gear. Tailored to fit your BEASTGRIP® x SanDisk® for iPhone 16 Pro setup, it helps keep your tools safeguarded and accessible, whether in the studio or on the go.

HIGHLIGHTS

- **DESIGNED FOR CREATORS.** Purpose-built to fit your BEASTGRIP® x SanDisk® content creation setup, including the BEASTGRIP® x SanDisk® Beastcase™ for iPhone 16 Pro, GH-50 handle, SSD clamp mount, lenses, cables, and SanDisk Extreme® Portable SSD (sold separately) - all in one case.
- **ROBUST PROTECTION.** Constructed from durable materials, this case provides robust protection for your valuable gear, helping safeguard from the elements and everyday wear.
- **ORGANIZED FOR EFFICIENCY.** Tailored compartments and extra pockets help ensure your tools are neatly organized and easy to access, streamlining your workflow whether you're at home or on the go.
- **EXTRA STORAGE FOR FLEXIBILITY.** Designed with additional space for expanding your kit, offering room for any extra gear you may need as your creative demands grow.
