

SanDisk®

SanDisk Outdoors™ HD SDHC™ UHS-I Card

The reliable, weather-resilient,
and highly visible card for trail cams.

Designed for trail cams and other devices used outside, SanDisk Outdoors™ HD SDHC™ UHS-I cards deliver the reliable performance required to capture clear footage. With vivid blaze orange card enclosures, the cards are easy to spot even if dropped face down on the forest floor. They are tested to withstand extreme temperatures, high humidity, plus submersion in fresh and salt water¹. They are also built to withstand drops, shock, magnetic fields, airport X-ray machines, and thousands of camera insertions¹. When formatted according to the camera's instructions, SanDisk Outdoors™ HD SDHC™ UHS-I cards record video and photos reliably, year after year.

HIGHLIGHTS

- Made for use in trail cams and other devices used outdoors
- Capture wildlife in clear HD² when motion triggers the camera
- Record up to 414 minutes of HD video² on each 32GB³ SDHC™ UHS-I card⁴
- Withstands extreme temperatures, humidity, water, drops, and shock¹
- Easy to find due to the highly visible blaze orange card case
- Built to last with industry-leading support and a 5-year warranty⁵

SanDisk Outdoors™ HD SDHC™ UHS-I Card

The trail cam card for all seasons
